Coach Agreement:

I hereby acknowledge that I have fully read and communicated the league and/or tournament competition rules to my team, including parents of youth participants, and will at all times have participant waivers, approved player passes, and emergency contact information available and understand that failing to provide said documents, upon request, will automatically disqualify my team from participating.

I accept responsibility for all team members actions, including but not limited to, my team's parents and spectators once they have entered the competition location and, to the best of my ability, ensure that team members conduct themselves in accordance with Global Competition rules and understand that my team may be dismissed from a league and/or tournament if my team's parents, spectators, or I violate or fail to comply.

I understand that I am personally responsible for all league and/or tournament fees, any outstanding team balances, including fines levied against my team, and that I, or any team participant, will not be issued a refund after said competition has commenced.

In the event that my team forfeits a match, I agree to pay a \$50.00 fine prior to the start of the next competition match and understand that my team may be penalized points from league and/or tournament standings.

I understand and agree to ensure that only registered coaches, including a team manager, not exceeding three members, may be permitted on the team sidelines or bench area during competition matches.
